***SouthCoast Medical Group Expands Department of Cardiology  
Dr. Scott R. McGlynn Joins Group***

**Savannah, GA** – As part of an initiative to provide exceptional access to heart services, [SouthCoast Medical Group](#) is pleased to announce the addition of Scott R. McGlynn, M.D., to its department of cardiology. Dr. McGlynn joins SouthCoast Medical Group’s Cardiology office at 1326 Eisenhower Drive, Building #2 in Savannah. SouthCoast is the largest local physician-owned multi-specialty healthcare practice serving Savannah and Southeast Georgia.

“Dr. McGlynn brings a wealth of cardiac experience to the region,” said John Marrero, administrator of SouthCoast Medical Group. “His expertise further strengthens patient access to specialized emergency cardiac services and brings us further in our mission to provide world-class treatment for heart disease to the greater Savannah community.”

Dr. McGlynn earned his Doctorate of Medicine degree from Hahnemann University in Philadelphia. He then completed a residency in Internal Medicine at MCP/Hahnemann University and a fellowship in Cardiology at Washington Hospital Center in Washington, DC. He completed an Interventional Cardiology fellowship at Winthrop University Hospital in New York. He is board certified in Internal Medicine, Cardiology, and Interventional Cardiology.”

“The possibility of helping provide state-of-the-art cardiovascular disease treatment to the community of the Savannah region is something I have been looking forward to,” said McGlynn. “I am excited to be part of such a progressive health care team dedicated to the advancement of heart health services.”

SouthCoast Medical Group is pleased to offer a broad spectrum of medical specialties along with an extended geographical reach that provide the maximum convenience for patients throughout the larger Savannah area. The group provides services in three counties and 11 locations, including Savannah, Richmond Hill, Pooler and Rincon. Each committed to meeting the needs of a growing population.
