

Benefits for Individuals, Benefits That Count

When you choose the right benefits at the right time of your life, you're truly making your benefits count. Check each benefit you would like to learn more about at your personal, 1-to-1 session with a Colonial Life benefits counselor. At the session, you will learn how these products fit into your overall benefits package, and there will be no obligation to buy anything.

- Short Term Disability Insurance** – Replaces a portion of your income to help make ends meet if you become disabled from a covered accident or covered sickness.
- Life Insurance** – Enables you to tailor coverage for your individual needs and helps provide financial security for your family members.
- Hospital Confinement Insurance** – Provides a lump-sum benefit for a covered hospital confinement and a covered outpatient surgery to help offset the gaps caused by copayments and deductibles that are not covered by most major medical plans.

You may reach Colonial Life at 912-443-0181 or see an enrollment specialist if you have any questions.

These coverages may not be available in all states; product benefits vary by state. Policies have exclusions and limitations that may affect benefits payable. For cost and complete details, please see your Colonial Life benefits counselor.
